

GREASE

How to Handle Grease in Your Kitchen

Reduced Footprint Recycling

You Have Grease!

Pour the grease into the designated container in your kitchen. Any type of oil, fat, or grease is acceptable! Be sure to keep large left over food particles out.

Your Grease Container is Full!

Contact your Kitchen Manager or Work Manager to delegate someone to bring the container to the large central grease drop off point behind Luther (1520 Hill Street)

The Central Grease Container is Full!

Call (215) 756-5444 for a number will be assigned on the large container. After that, the container will come and pick up our grease for you!

Grease goes in here
